Curated Designs for Every Home

Welcome to our company, a trusted manufacturer specializing in premium polyester plush fabrics and finished home textile products. With years of expertise, we produce high-quality greige fabrics such as coral fleece and flannel, as well as a wide range of finished goods, including long-pile bathrobes, blankets, bathrobe sets, cushions, and plush toys, all tailored to meet our clients' needs.

Our customers span across Germany, Italy, the Americas, and the wider European market, partnering primarily with large-scale wholesalers. Sustainability is at the heart of our production, and all our products meet OEKO-TEX® Standard 100 certification for environmental safety. Whether you are looking for fabric supply or finished products, we are committed to delivering quality, reliability, and flexibility in every order.

Bathrobes Collection

Indulge in comfort with our customizable bathrobe collection, available in a variety of plush textures and colors. All sizes, colors, and packaging can be tailored to meet your specific requirements.

Color Variation

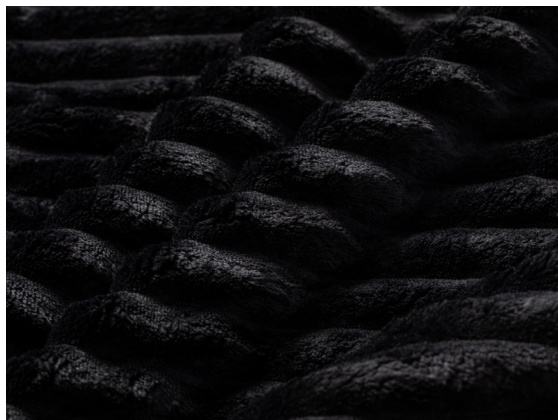

Blankets Collection

From soft flannel throws to warm coral fleece blankets, our designs are crafted for both style and function. Choose from our range or request bespoke sizes, colors, and patterns.

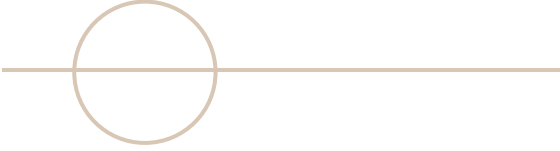

Other Collection

Including cushions, plush toys, and home accessories, each item can be fully customized, from fabric type to finishing details — to match your brand's vision.

Greige Fabric Collection

Greige Fabric Collection

As a key part of our production capability, we supply premium polyester greige fabrics to meet the diverse needs of our global clients. Our main offerings include coral fleece and flannel base fabrics, renowned for their durability, softness, and versatility in further processing. Whether for dyeing, printing, or custom finishing, our greige fabrics provide an excellent foundation for your unique products.
